

It's that time of year again! Please support Bob Verney and Mike Mazrimas of Friends of Wollaston Beach, as they once again participate in Save the Harbor/Save the Bay's Annual Shamrock Splash. SH/SB's mission is stated below, but its connection to Friends of Wollaston Beach and Quincy is a lot more personal.

Funding provided by SH/SB has permitted FWB (partnering with Discover Quincy, Thomas Crane Library and others) to provide *free* programs to beach users all summer long. Whether it's the annual Kids' Fest, or concerts on the beach, or movie night, or Tot Lot events, funding from SH/SB is critical to keeping these programs alive and *free*. Let's help them to continue giving back to Quincy and the other beach communities from Nahant to Nantasket by pledging to the "Splash"!

Save the Harbor / Save the Bay is a non-profit public interest harbor advocacy organization. It is made up of thousands of citizens, as well as scientists, and civic, corporate, cultural and community leaders whose mission is to restore and protect Boston Harbor, Massachusetts Bay, and the marine environment and share them with the public for everyone to enjoy.

**This year, at least, they won't be trudging through snow!**
